# Table of Contents

- Acknowledgements
- About me
- About my internship with clevered
- About app
- Option name
- Contact person

# Acknowledgements

- I would like to thank all the teachers who have helped me create this project (Ms mani, ms smita) and I would also like to thank Mr Ken for reviewing my project and giving his feedback, It is much appreciated

# About Me..

- My name is Aayan Sohail
- I am 15 years old
- I am currently living in Dubai, In the United Arab Emirates
- I have always had a passion in computer science starting from a young age

# About My Internship with Clevered..

- My experience with clevered has been great, nothing but good words for my mentors and teachers. They have been friendly and easy to ask doubts, Ive never hesitated to ask
- I have earned 2 rockstar badges till now

# About App..

- My app is an emergency chatbot, it changes its output based on user speech
- This app responds to your emergency situation and aids you accordingly

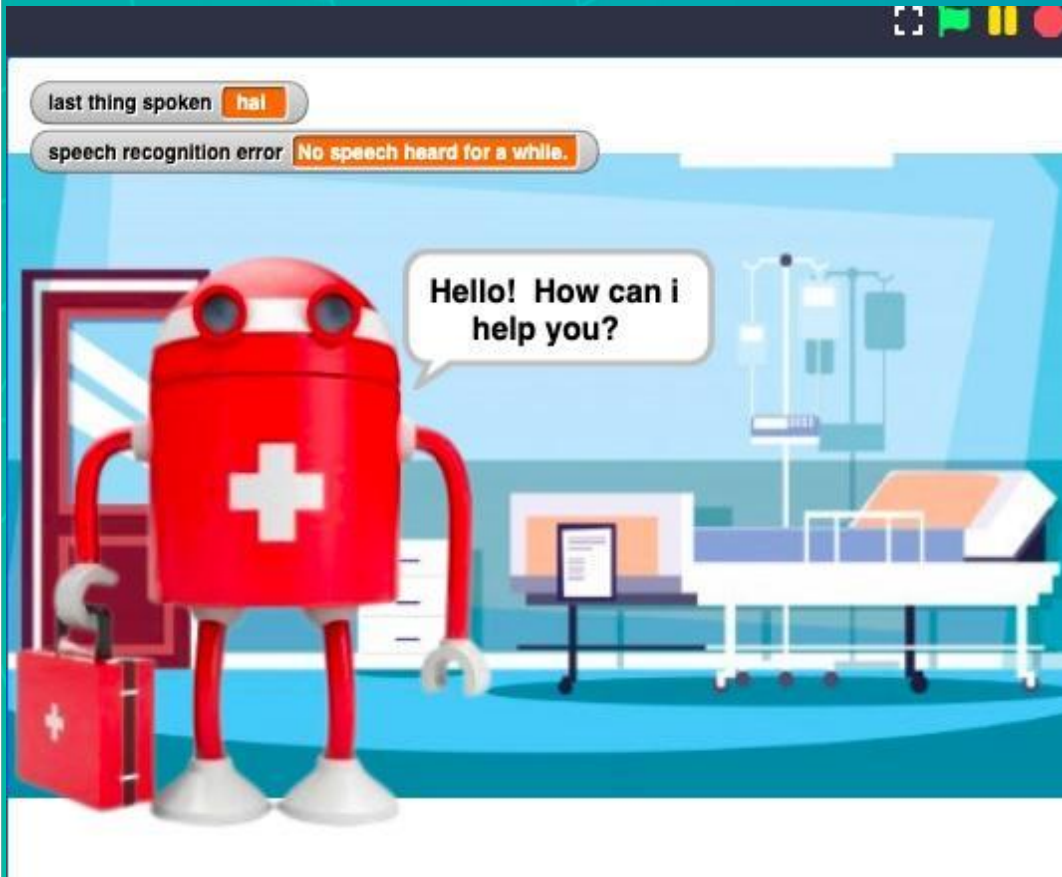

**How do I use the App?**

# Option Name

(This will be repeated for each option of the App)

- In an emergency, the user might not be able to click on a green flag so I have opted for “click on any key to run project” “You speak into the microphone and the chatbot will aid you accordingly
